Each member of the class in the National War College course is required to make a systematic and analytical study of some subject related to national security and to record the results, findings and conclusions of his research in an Individual Research Paper (IRP). Each member of the class is required to make a twenty-minute oral presentation of his study. The schedule of IRP presentations for January 1963 is listed. Requirements for attendance at these presentations by visitors from Government agencies are the same as for attendance at lectures of guest speakers.
